September 28, 2023  
Via Zoom

Trustees Present: Alexandra Fielding, Elizabeth Torres, Vanessa Harvey- Lykes, Latrice Leake, Carlos Ardila, Candice Haney (late arrival)

1. Welcome- Alexandra Fielding welcomes the Trustees to the meeting
2. Meeting Minutes Approval- Alexandra Fielding calls for approval by roll call of the June annual meeting minutes—meetings approved.
3. U.S. Department of Education Blue Ribbon School- Dr. Torres provides the exciting news that Washington Global won the 2023 U.S Department of Education Blue Ribbon School award. The school is recognized by the Secretary for its outstanding performance. Four schools in DC won the award and only 7% of the winners were charters.
4. Student Enrollment and Financials- Washington Global is slightly under enrolled this school year. Many students wanted to attend a school closer to home. However, the school will be fiscally sound and our financial analyst already ran projections.
5. Closing- Alexandra Fielding adjourns the meeting.
