

WASHINGTON GLOBAL

CLASS SPOTLIGHT

On Wednesday, February 6th, the eighth graders tested the acidity of different liquids in Ms. Thomas's science class. They compared different bottled water brands, like Dasani and Fiji, alongside drinks like Gatorade and sparkling water. They discussed the safety of drinking acidic, or carbonated drinks and how often you can drink them.

ANNOUNCEMENTS

Monday, March 18th - No School | Parent-Teacher Conferences

Monday, April 1st - No School

Friday, April 5th - End of 3rd Quarter | 2:15 Dismissal - No Aftercare

Friday, April 12th - Friday, April 19th - Spring Break - No School

LEARN24 AFTER SCHOOL PROGRAM

Washington Global is excited to announce that we are now a Learn24 after school program site serving our students! Beginning Monday, February 12th, scholars are invited to stay at Washington Global after school until 6:00 pm daily. We will also have additional after school programs beginning this spring. Please check next week's newsletter for an updated after school program schedule.

ATTENDANCE ANNOUNCEMENT

Regular school attendance supports the social, emotional, and academic growth of our students, which means that all students should be present at school every day and should arrive at school on time by 8:15 am. Beginning the week of January 16th, the students who are chronically tardy to school after 8:30 am will need to stay after school on Wednesday to make up for the missed academic time.

Additionally, students who are tardy to school will serve lunch detention each day they are tardy to school after 8:30 am, unless an excuse note is provided.

Student Name: _____

Week Of: _____

Arrive to school by 8:15am each day and collect a stamp!

After 5 on-time arrivals each week, you'll receive a sweet treat!

Washington Global is reintroducing On-Time Stamp Cards!

If a student arrives at Washington Global at or before 8:15 am, they will receive a stamp on their stamp card. At the end of the week, if a student has five stamps on their stamp card, they will receive a sweet treat!

KIDS RIDE FREE PROGRAM

If your student needs a SmarTrip card to commute to and from school on the Metrobus, Metrorail and/or the Circulator, please reach out to Ms. Diana (dgabriel@washingtonglobal.org) to get your student on the list! Cards are assigned on a first come first serve basis within 24 hours of the request. If your student loses their card, please let Ms. Diana or Ms. K know, so we can get another card issued.

Save , Earn Gas , Carpool Today!

SchoolPool is a free carpool ride matching system that connects you with other families who are looking to share driving duties.

SCAN
to sign up

Here's how it works:

1. Sign up for SchoolPool and receive a list of carpool partners in your area
2. Contact your matches via phone or email and meet up to see if there's a good fit.
3. Create a carpool schedule that works for both families involved.
4. Log your trips in SchoolPool for a chance to win \$25-\$50 gas cards!

Free & Easy to Use

SchoolPool is free for all families, no strings attached!

Trusted & Secure

SchoolPool only shares parent contact information and you can choose to carpool match only with other parents at your school.

Healthy Tidbit

Week of February 26th, 2024

This week I will discuss your eyes and your vision. Most of you have probably had a vision screening by now. A screening (usually done by the pediatrician or family practitioner) is considered a baseline eye exam.

Did you know that your vision develops over time and is fully developed by your teens? (AAO)

Parents, did you know that vision screenings can be offered at some schools, community health centers, or events?

Parents, your child should have a visual screening every year.

HOW DO WE PROTECT OUR VISION?

- 1. PAY ATTENTION TO ANY DISTURBANCES! Blurry vision, frequent headaches, and problems with focus can be early signs of vision problems.**
- 2. LIMIT SCREEN TIME! This is the age of technology, but constant screen use promotes eye strain; after you have completed schoolwork or playing computer games, make sure you take breaks to give your eyes a rest!**
- 3. EAT RIGHT! Dark, leafy vegetables have lutein and zeaxanthin which are potent antioxidants that help prevent your eyes from high energy light waves like the UV rays in sunlight!**
- 4. PROTECT YOUR EYES! If you are going to be in the sun, wear a cap and/or sunglasses to protect your eyes from the powerful light of the sun.**

Routine eye exams are the key to protecting your vision!
